About Powel Crosley, Jr. YMCA summer camps: Caring, honesty, respect and responsibility are cornerstones of all YMCA camps. The YMCA also adds a unique program development element to help children develop positive identities, values and social skills. "Developmental Assets" are 40 essential experiences young people need in order to grow up to be healthy, competent, caring and responsible adults.

At Powel Crosley, Jr. YMCA traditional day camps, each week will have a different theme but they all provide opportunities to learn, make friends, and have fun. Daily activities include swimming, environmental education, arts and crafts, service learning, science, literature, free time and more.

The Powel Crosley, Jr. YMCA is American Camp Association (ACA) accredited, measured on more than 300 standards. The YMCA offers a summer of personal growth and fun for kids – with and without disabilities - in an environment committed to safety. Counselors and staff are certified in First Aid, CPR, AED and oxygen. Certified lifeguards are always on duty in the swimming pool.
