

Pattern Parade Shakers

- 1. Grab a plate and turn it upside down.**
- 2. Decorate the back with the materials you find on the table. Can you include a pattern in your design?**
- 3. Fold the plate so your design is on the outside. Choose some streamers.**
- 4. Find an adult to help you fill your shaker with beans and staple it together.**
- 5. Work in groups. Take turns shaking out a pattern rhythm and having the group repeat.**

**PATTERNS REPEAT.
IN A PATTERN, YOU SHOULD ALWAYS BE
ABLE TO TELL WHAT IS COMING NEXT.**

**See if you can identify the patterns in
the artwork on the back of this sheet.**
